USB Car & Wall Charger

Power where you need it most.

K39266EU

Product Description

Here's the power your iPhone® or iPod needs whether you're on the road, at home or in the office. The Kensington Wall and Car Charger for iPhone® and iPod includes a car charger, wall adapter and two power/sync cables-so you'll have power wherever your day takes you.

Features

- The ideal power kit includes a wall and a car charger and two USB cables
- · Detachable EU and UK plugs so you'll have the right plug wherever you go
- · Includes two charge and sync cables, one for home, one for the road or office
- · Car USB charger features a reassuring power indicator light that illuminates to let you know it's working
